block and running in a direction parallel with the north boundary line thereof, said block and the parcels of land over which it is proposed to construct such sewer being private property, and also that it is expedient to lay and construct a sewer over and across block No 43 in said city, at or near the center thereof and running in a direction parallel with the north boundary line of said block, said block and the parcels of land therein over which it is proposed to construct such sewer being private property, and also that it is necessary and expedient to lay and construct a sewer over and across block No 44 in said city of Albany at or near the center of said block and running in a direction parallel with the north boundary line thereof, said block and the parcels of land therein over and across which it is proposed to lay and construct such sewer being private property, and

Whereas said Council did on said 16th day of April 1892 direct and order the Surveyor of said city to survey and make a full and perfect description and plat of the boundaries of such respective proposed sewers and the portions of said blocks respectively and the parcels of land therein necessary to be appropriated as and for a right of way for such sewers respectively and to mark the boundaries of such sewers and the parcels of land required for rights of way for the laying and constructing of each of such sewers and to report such surveys respectively in writing to said council and

Whereas said Surveyor did make such surveys as so directed by said Resolution and on the 5th day of May 1892 did make

his reports in writing to said council of his surveys and descriptions of a right of way for a sewer over and across each of said blocks in the City of Albany and of the portion of the parcels of land in said blocks necessary for a right of way for the construction of a sewer over and across each of said blocks and did append to each of said reports a correct plat of each of said surveys showing the particular portions of each of said blocks and the respective parcels of land therein required for the respective rights of way necessary for the constructing and maintaining of each of such sewers over and across such portions of said blocks and parcels of land therein; therefore.

The People of the City of Albany do ordain as follows:

Section 1. That the said report of said Surveyor of his said survey of a right of way for a sewer over and across Block No 38 in the City of Albany Linn County Oregon which said original report is as follows, be and the same is hereby in all things approved and adopted.
