

Ord 576

and  
 The Council of the City of Albany, New York, has determined in Resolution No. 13, adopted on the 11th day of January, 1912, to amend the street map of said City, in the East line of Washington Street to the west curb line of Madison Street; to ascertain, assess, determine and declare the probable cost of such improvement of said Fourth Street to that a necessary improvement lot or block thereof, adjacent to said part of said Fourth Street, is so improved; to direct the Recorder of said City to enter a statement of such assessment in the books of said City, as is provided in the Charter of said City.

Whereas, on the 14th day of February, 1912, the Council of the City of Albany, in its 11th session, duly held, adopted a resolution requiring the City Engineer of said City to make plans and specifications for the improvement of Fourth Street from the east line of Washington Street to the west curb line of Madison Street in said City with proper utility fixtures, and for the installing of a proper drainage system, and for the estimates of the work to be done on the said portion of said Fourth Street and the probable cost thereof, and requiring that such plans, specifications, estimates and probable cost be filed in the City Engineer's Office of said City on or before the 25th day of February, 1912, and that the same be adopted as Resolution No. 5, and adopted the 14th day of February, 1912, and

Whereas, the City Engineer of said City of Albany, pursuant to said resolution, has made such specifications and estimates as directed by said resolution for the improvement of said Fourth Street in the manner provided in said resolution, No. 5, and filed said plans, specifications and estimates in the Recorder's Office of said City on the said 25th day of February, 1912, in compliance with said resolution, and the City Engineer has submitted to the Board of Public Works of said City a statement of the probable cost thereof; and

Whereas, the Board of Public Works of said City, on the 25th day of February, 1912, in Resolution No. 1, duly adopted, has determined and resolved that it is the duty of said Board and that said Board be authorized to incur the cost of such improvement of said Fourth Street to the west curb line of Madison Street, except the portion thereof which is now improved, in the manner provided in said resolution, No. 1, and

Whereas, the Board of Public Works of said City, on the 25th day of February, 1912, in Resolution No. 2, duly adopted, has determined and resolved that it is the duty of said Board and that said Board be authorized to incur the cost of such improvement of said Fourth Street to the west curb line of Madison Street, except the portion thereof which is now improved, in the manner provided in said resolution, No. 2, and

and directed by said Council to give notice of said proposed improvement to all the owners of lots fronting the east line of Washington Street to the west curb line of Main Street, except the intersections with Lyons, Lawrence, MacLachlan and Ferry Streets, as provided by the charter of said City of Albany, Oreg.

Whereas, the City Council, in pursuance of said order and direction of the Council of the said City of Albany, did duly give notice of said proposed improvement to all the owners of lots fronting the east line of Washington Street, as provided by the charter of said City, and

Whereas, the said Council in and by said Resolution No. 13 contained in the minutes of the Council, did estimate the probable cost of making said improvement of said Fourth Street to be paid by the owners of the real property adjacent to said street, and that the total probable cost of making said improvement of said Fourth Street to be the sum of \$34,111<sup>11</sup>/<sub>100</sub>, and the total probable cost of making said improvement of said Fourth Street to be the sum of \$34,141<sup>72</sup>/<sub>100</sub>. Therefore,

The People of The City of Albany do Ordain as Follows:

Section 1. That Fourth Street from the east line of Washington Street to the west curb line of Main Street except the intersections of Lyons, Lawrence, MacLachlan and Ferry Streets, in said City of Albany, Oregon, shall be improved as follows, to-wit:

- First: By grading said street to the proper sub-grade.
- Second: By paving the curbs of said street with granite at all intersections with granite bitulittic pavements.
- Third: By paving and constructing granite bitulittic pavements.
- Fourth: By constructing catch basins.
- Fifth: By constructing inlets.
- Sixth: By installing 12 inch sewer pipe.

and in accordance with said Resolution No. 13, and the provisions of said Ordinance No. 13, as amended by the City Engineer and the City of Albany, Oregon, on the 20th day of February, 1912.

Section 2. That the probable cost of making said improvement of said Fourth Street for the City of Albany, Oregon, from the east line of Washington Street to the west curb line of Main Street, in the manner herein determined by the Council of said City of Albany, in and by said Resolution No. 13 to be the sum of \$34,111<sup>11</sup>/<sub>100</sub>.

to be the name of § 34, 1-11<sup>th</sup>.

Section 3. That the proportionate share of said, and the cost of said improvement of said Fourth Street, is assessed upon each lot or part thereof adjacent to said lots, and Fourth Street to be improved as above said and as determined by said ordinance and by said Resolution, No. 13, as herein ascertained and declared to be the same set out hereinafter in and after the separate description of each of said lots or part thereof, as follows:

Description of each lot with the adjacent streets in the improvement of said Fourth Street:
