

RESOLUTION NO. 2565

A RESOLUTION CREATING A TASK FORCE TO CONDUCT AN EVALUATION OF PUBLIC TRANSPORTATION IN ALBANY

WHEREAS, the City should evaluate its programs and services in light of changing needs and limited resources; and

WHEREAS, the Budget Committee has recommended that the transit system be evaluated considering what is an appropriate service level for public transportation and what financing means are available; and

WHEREAS, the City Council has stated that the purpose of the task force is to identify the public transit needs of Albany residents and recommend the most appropriate and cost effective methods of meeting these needs at an acceptable service level.

NOW, THEREFORE, BE IT RESOLVED that a Public Transit Task Force consisting of seven persons be appointed to evaluate the Albany Transit System and Dial-A-Ride service and to submit a report and recommendation to the City Council by March, 1986.

BE IT FURTHER RESOLVED that the Task Force include the following in its review and recommendation:

- .. Identify the public transit needs within the community.
- .. Identify alternative means of providing public transit.
- .. Evaluate alternatives in terms of feasibility and acceptable service levels.
- .. Identify funding resources.
- .. Recommend to the City Council the most appropriate and cost-effective means of meeting the community's public transit needs.

DATED this 11th day of September, 1985.
