Coverage for: Individual+Children Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to PacificSource.com/plan-details. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at Healthcare.gov/sbc-glossary or call 1-888-977-9299 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	In-network provider: \$5,000 individual/\$10,000 family Out-of-network provider: \$10,000 individual/\$20,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care and other services listed below with 'deductible does not apply'. In-network provider: \$6,350 individual/\$12,700 family Out-of-network provider: \$20,000 individual/\$40,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
