## **SECTION 1 – INTRODUCTION**

### **1.1 CITY BACKGROUND INFORMATION**

The City of Albany is a municipal governmental entity providing a full range of services, including police and fire protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 57,289 (World Population Review 2023), is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a council-manager form of government. Albany is led by an elected, non-partisan seven-member council. The council consists of the mayor and six council members. The mayor is elected at-large every two years; councilors are elected for overlapping four-year terms within three city wards. The city manager serves at the pleasure of the council. The council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The city council acts as the local contract review board for the City.

Albany employs approximately 427.40 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are Police, Fire, Parks and Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering and Operations, and Community Development.

The objective of requesting proposals is for the City to contract with a firm that can offer services at the highest quality of service at a cost representing the best value and most advantageous to the City. More information about the City is available at: <https://albanyoregon.gov>. City park locations and information is available at [Albany park map \(albanyoregon.gov\)](https://albanyoregon.gov).

### **1.2 SERVICES REQUIRED**

In no event will the City of Albany have any liability for the cancellation of award.

## **2.6 LATE PROPOSALS, WITHDRAWALS AND MODIFICATIONS**

Proposals must be submitted by the time designated in the RFP Schedule. Any proposals submitted after the designated closing time will be considered late and determined nonresponsive. 1. The Proposer and each person signing on behalf of any Proposer certifies, and in the case of a sole proprietorship, partnership or corporation, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of their knowledge and belief, no elected official, officer, employee, or person, whose salary is payable in whole or in part by the City of

Answers will be provided to all Proposers of record on the date that answers are available by posting to the City website.

## **2.10 COMPETITION**

Proposers are encouraged to comment, either with their proposals or at any other time, in writing, on any specification or requirement within this RFP, which the respondent believes, will inordinately limit competition.

## **2.11 SOLICITATION PROTESTS**

Information may include, but will not necessarily be limited to credit history, recent financial statements, current litigation, bonding capacity, and related history, and contacting references. All such documents, if requested by the City of Albany, become part of the public record, and may be disclosed accordingly.
4. The City reserves the right to investigate references including customers other than those listed in the Proposer's submission. Investigation may include past performance with respect to its successful performance of similar projects, conformance to Owner's budget, compliance with specifications and contractual obligations, its completion or delivery of a project on schedule, and its lawful payment to employees and workers or other criteria as determined by the City.

1. A proposal may not be modified, withdrawn, or canceled by the Proposer for 120 calendar days following the time and date designated for the receipt of proposals.
2. Proposals submitted early may be modified or withdrawn only by email to the City of Albany Contracts and Procurement Officer, at the submittal location, prior to the time designated for receipt of proposals. 3. Withdrawn proposals may be resubmitted up to the time designated for the receipt of proposals provided they are then fully in conformance with the proposal submittal instructions.

## **2.16 PROPOSAL OWNERSHIP**

1. All proposals submitted become and remain the property of the City of Albany and, as such, are considered public information and subject to public disclosure within the context of the Federal Freedom of Information Act (FOIA) and ORS 192.501 and ORS 192.502, public records exempt from disclosure.

## **2.17 DURATION OF PROPOSAL**

Proposal prices, terms and conditions will be firm for a period of at least 120 days from the deadline for receipt of submittal. The successful proposal will not be subject to future price escalation or changes of terms if accepted during the 120 calendar-day period. Price decreases or changes in terms by others after the acceptance of a proposal will not be considered.

## **2.18 AFFIRMATIVE ACTION**

By submitting a proposal, the Proposer must agree to comply with the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964, Executive Order 11246 (as amended), Fair Employment Practices, Equal Employment Opportunity Act, Section 503 of the Rehabilitation Act of 1973, as amended; Vietnam Era Veterans' Readjustment Assistance Act of 1974; Americans with Disabilities Act; Age Discrimination in Employment Act of 1967 (ADEA); and Oregon Revised Statutes (ORS); and all applicable requirements of federal, state and local civil rights and rehabilitation statutes, rules and regulations if awarded a contract by the City.

## **2.19 CERTIFICATION OFFICE FOR BUSINESS INCLUSION AND DIVERSITY (COBID)**

The Oregon Business Development Department, through the Certification Office for Business Inclusion and Diversity, is the sole agency that may certify enterprises and businesses as disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses that are eligible to perform public contracts in this state. Proposer must agree not to discriminate against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns, or an emerging small business enterprise certified under ORS 200.055 in awarding subcontracts as required by ORS 279A.110. The State of Oregon provides a certification directory for MWESB Contractors <https://www.oregon.gov/biz/programs/cobid/pages/default.aspx>. Proposers must consider MWESB Contractors for subcontracting opportunities.

If the contract is awarded on the basis of Contractor's certification as a Disadvantaged Business Enterprise (DBE), Minority/Women-owned Business Enterprise (MWBE), Service-disabled Veteran, and Emerging Small Business (ESB) certifications (collectively known as MWESBs), Contractor must remain certified during the entire term of the contract. Contractors must include a similar provision in any subcontracts for the project.

## **2.20 PAY EQUITY COMPLIANCE**

As required by ORS 279B.235, all Proposers must comply with ORS 652.220 and will not unlawfully discriminate against any of Proposer's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability, or age. Proposer's compliance with this section constitutes a material element of this contract and a failure to comply constitutes a breach that entitles the City to terminate this contract for cause.

Proposer may not prohibit any of their employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. Proposer may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other

compensation with another employee or another person.

If the contract is valued at \$500,000 or more and the Proposer has 50 or more employees, then the Proposer is required to complete Pay Equity Training through the State of Oregon's Department of Administrative Services, (DAS), at <https://oregon.gov/PayEquity.aspx>, and must certify they have taken the training and provide a certificate as evidence before awarded a contract by the City.

## **2.21 SUBCONTRACTORS/SUBCONSULTANTS**

In all solicitations either by competitive bidding, proposals, or negotiation made by the successful Proposer for work to be performed under a subconsultant/subcontractor, including procurements of materials or leases of equipment, each potential supplier will be notified by the successful Proposer of the Proposer's obligations under this contract, Title VI of the Civil Rights Act of 1964, and other federal nondiscrimination laws. A list of potential state certified DBE Contractors is available at <https://oregon.gov/cobid/pages/default.aspx> and from the City's website at <https://albanyoregon.gov/bids>.

## **2.22 IDENTICAL PROPOSALS**

If the City receives proposals identical in price, fitness, availability, and quality and chooses to award a contract, the City will award the contract in accordance with ORS 279A.120 and OAR 137-046-0300. If the City determines that one or more proposals are identical, tiebreaker preference for identical offers are awarded on the following order of precedence: 1) Goods and services manufactured, produced or to be performed in Oregon, and 2) Drawing of lots among the identical offers. The City will provide the Proposers who submitted the identical proposals notice of the date, time, and location of the drawing of lots and an opportunity for the Proposers to be present when the lots are drawn.

## **2.23 COMPLIANCE WITH STATE OF OREGON LAWS**

By submitting a response to this solicitation, Proposer agrees that any terms and conditions stated within any agreement awarded as a result of this solicitation will include the following laws of the State of Oregon and are hereby incorporated by reference into the agreement: ORS 279B.220 (Payment, contributions, liens, and withholding), ORS 279B.225 (Salvaging, recycling, composting or mulching yard waste material, if applicable), ORS 279B.230 (Payment for medical care and workers' compensation), and ORS 279B.235 (Hours of labor).

## **2.24 NOTIFICATION OF INTENT TO AWARD AND DEBRIEFING OPPORTUNITY**

Responsive Proposers to this RFP will be notified of the Selection Review Committee's recommendation and the City's intent to award an agreement not less than seven days prior to award of agreement. The notice of intent to award an agreement will be directed to the person who has signed the proposal on behalf of the Proposer, or their designee, if an email has not been provided.

The City will notify all Proposers of their opportunity to have a debriefing with Procurement to discuss scoring, evaluations, and proposal recommendations for improvement.

## **2.25 PROTEST OF AWARD**

A Proposer whose submittal was scored as the second apparent, most advantageous proposal response, and submitted a responsive and responsible proposal, may protest the award of contract or the intent to award such a contract, whichever occurs first. In addition, the following conditions must exist: (1) The Proposer must be adversely affected because the Proposer would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) The City has failed to conduct the evaluation of bids/proposals in accordance with the criteria or processes described in the solicitation document and the specific criteria and process being protested must be included; (4) The City has abused its discretion in rejecting the protestor's bid/proposal as nonresponsive; (5) The City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be sent to the Contracts and Procurement Officer at [procurement@albanyoregon.gov](mailto:procurement@albanyoregon.gov), and received in the email repository within seven days after issuance of the notice of intent to award the contract, or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest, must be received by the deadline provided in the notice of intent to award, and must be complete meeting all conditions addressed above, to be considered by the City, pursuant to ORS 279B.410(2). City will not consider a protest of contract award that is incomplete and submitted after the above timeline.

## **2.26 NONAPPROPRIATION**

The City's obligation to award this RFP is contingent upon appropriation or approval of funds.

## **2.27 AGREEMENT**

The Successful Proposer(s) will be required to sign an agreement to deliver to the City at the cost proposed, providing the scope of services and conditions set forth herein, or an agreed upon statement of work, if applicable. It is the City's intent to award an Agreement in substantially the form of the Sample Agreement attached to this RFP document. Proposers may submit alternatives to the Agreement for the City's review. The City, at its sole determination, may approve the Proposer's offered terms, as is, require modifications, or reject the proposed agreement terms and conditions and require the City's Agreement be executed for the purpose of this RFP.

## **2.28 NOTICE TO PROCEED**

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

## **2.29 INDEPENDENT CONTRACTOR (ORS 670.600)**

The Contractor shall provide all labor, equipment, material, and supervision necessary to perform the scope of services described in this RFP. The parties intend that Contractor, in performing the services specified in this contract, shall act as an Independent Contractor, and shall have control of the work and the manner in which it is performed. CITY may suspend, in writing, and without cause, all or a portion of the work under this Agreement. CONTRACTOR may request that the work be suspended by notifying CITY, in writing, of circumstances that are interfering with the progress of work. CONTRACTOR may suspend work on the project in the event CITY does not pay invoices when due. The time for completion of the work will be extended by the number of days work is suspended. In the event that the period of suspension exceeds 90 days, the terms of the Agreement are subject to renegotiation and both parties are granted the option to terminate work on the suspended portion of the project, in accordance with Article XI.

#### **ARTICLE XI: EARLY TERMINATION OF WORK**

- A. CITY may terminate this Agreement for convenience at any time for any reason deemed appropriate in its sole discretion. Termination is effective immediately upon notice of termination given by CITY.
- B. Either party may terminate this Agreement in the event of a material breach by the other party that is not cured. Before termination is permitted, the party seeking termination must give the other party written notice of the breach, its intent to terminate, and fifteen (15) calendar days to cure the breach. If the breach is not cured within 15 calendar days, the party seeking termination may terminate immediately by giving written notice that the Agreement is terminated.
- C. If no notice of termination is given, relationships and obligations created by this Agreement will be terminated upon completion of all applicable requirements of this Agreement.

#### **ARTICLE XII: REMEDIES AND PAYMENT ON EARLY TERMINATION**

- A. If CITY terminates pursuant to Article XI(A), CITY will pay CONTRACTOR for work performed in accordance with the Agreement prior to the termination date. No other costs or loss of anticipated profits will be paid.
- B. If CITY terminates pursuant to Article XI(B), CITY is entitled all remedies available at law or equity. In addition, CONTRACTOR must pay CITY all damages, costs, and sums incurred by CITY as a result of the breach.
- C. If CONTRACTOR justifiably terminates the Agreement pursuant to Article XI(B),

CONTRACTOR's only remedy is payment for work prior to the termination. No other costs or loss of anticipated profits will be paid.

- D. If CITY's termination under Article XI(B) above was wrongful, the termination will be automatically converted to one for convenience and CONTRACTOR will be paid as if the Agreement was terminated under Article XI(A).
- E. In the event of early termination, CONTRACTOR's work product before the date of termination becomes property of CITY.
- F. In the event of termination, CONTRACTOR must perform such additional work as is necessary for the orderly filing of documents and closing of the project. The time spent on such additional work must not exceed 10 percent (10%) of the time expended on the terminated portion of the project prior to the effective date of termination. CONTRACTOR will be compensated for work actually performed prior to the date of termination plus work required for filing and closing as described in this Article.
- G. Upon termination, CONTRACTOR must provide to CITY all work products, material, documents, etc., gathered or compiled, related to the project, whether in CONTRACTOR's possession at the time of termination or received later.
