

RESOLUTION NO. 1062

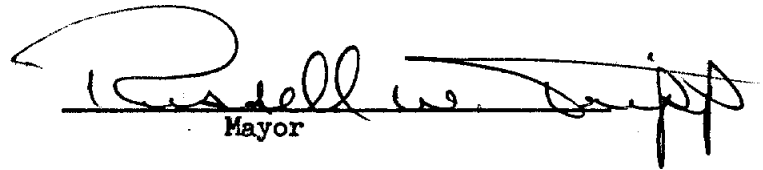

(To establish load limit on Bryant Park Bridge)

WHEREAS, it appears to be in the public interest and safety that load limit be established for Bryant Park Bridge not to exceed ten ton, now, therefore,

BE IT RESOLVED by the Council of the City of Albany that a load limit not to exceed ten (10) ton is hereby established for the bridge extending from Third Avenue into the entrance of Bryant Park.

BE IT FURTHER RESOLVED that the City Manager shall cause to be erected at each approach to said bridge appropriate signs setting forth the load limit as herein established.

DATED this 28th day of February, 1968.
