INTERDEPARTMENTAL MEMORANDUM
Public Works Department

TO: Albany City Council
VIA: Steve Bryant, City Manager
FROM: John Joyce, P.E., Public Works Director
DATE: January 2, 1991 for the January 23, 1991 Council Meeting
SUBJECT: Acceptance of Grant/Authorization to Purchase Busses

The Capital Assistance Grant applied for from the State Public Transit Division has been approved. This grant application was for the purchase of two busses for the Albany Transit System.

In March, 1990 the Council authorized staff to submit the application. The existing busses need to be replaced as they have reached their life expectancy and are experiencing high maintenance costs.

The grant agreement has been received from the State and requires Council approval. The amount of the bus grant is \$300,000. The City's local match is 10% or \$30,000. \$10,000 is budgeted in the current budget and the additional \$20,000 will be budgeted in the 1991-92 General Fund budget.

It is recommended that Council approve a resolution to accept the grant, authorize the City Manager to sign the agreement on behalf of the City, and authorize staff to seek bids to purchase the busses.

A copy of the grant is attached.

Respectfully submitted,
