

RESOLUTION NO. 4331

A RESOLUTION AUTHORIZING REMOVAL OF ON-STREET PARKING ON THE NORTH SIDE OF 34TH AVENUE, FROM MARION STREET TO JACKSON STEEET, AND ON THE SOUTH SIDE OF 34TH AVENUE FROM MARION STREET 250 FEET EAST.

WHEREAS, the 34th Avenue Rehabilitation project is identified as a needed improvement in the City of Albany Transportation System Plan, and is identified as a City of Albany Street Bond Project; and

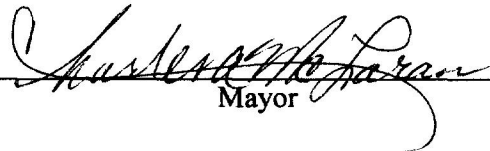

WHEREAS, removal of on-street parking on the north side of 34th Avenue is required to provide adequate space to stripe bike lanes in each direction; and

WHEREAS, the Marion Street intersection requires turn lanes for the safe movement of traffic through the intersection; and

WHEREAS, removal of limited on-street parking is required on the south side of 34th Avenue to provide adequate space for all required traffic lanes.

NOW, THEREFORE, BE IT RESOLVED that the Albany City Council does hereby direct the removal of on-street parking on the north side of 34th Avenue from Marion Street to Jackson Street, and on the south side of 34th Avenue from Marion Street 250 feet east.

DATED THIS 13TH DAY OF SEPTEMBER 2000.
