On-going communication was conducted through the following venues:

- Albany Democrat Herald news releases, articles, and blogs
- TSP project website
(http://www.cityofalbany.net/publicworks/streets/management_plan/index.php)
- Email lists for 78 interested citizens, 37 business contacts, 21 members of boards and commissions, 59 contacts with state and local agencies, and 28 contacts within the city
- City Bridges quarterly newsletter

Additional outreach to 4th and 5th grade students at North Albany Elementary School and Central Albany School included the following lessons:

March 21, 2007 – introduction to maps

March 22, 2007 – build an edible road cross-section

June 11, 2007 – introduction to bridges and folding paper bridges

June 12, 2007 – build a spice drop-toothpick bridge

October 10, 2007 – Transit – routes, fares, and a ride around the city

October 23, 2007 – Bike safety and helmets
